

Indosat Telecommunication Service recovered 100%
INDOSAT DONATES Rp 1 BILLION TO EARTHQUAKES VICTIMS

Rp

1

Since Mei 2006, all telecommunication services of Indosat in Yogyakarta and the surroundings, consisting of 174 BTS in Yogyakarta 129 BTS in Solo, have recovered 100%. This is due to all of the efforts done to add generators in several BTS at Bantul, which up to now, does not receive any electricity supply from PLN.

Continuing the social program done by Indosat since the first day the earthquake occurred, Indosat once again give financial support for the earthquake victims totaling of Rp 1 billion, handed directly by Indosat Board of Directors to Sultan Hamengkubuwono X at the office of Governor Keptatihan Yogyakarta
