

***Joint Program with Conexus:***  
**Indosat launched Data International Roaming Flat rate Per-Day**

**Jakarta, April 15, 2008** – PT Indosat Tbk. together with Conexus, Asia Pacific Cellular Operator Alliance, launched data access program through Data International Roaming Flat Rate Per-Day. This program offers attractive promo for Indosat postpaid customers (Matrix, Blackberry and data broadband) who often travel overseas to 6 countries (Singapore, Hong Kong, Japan, Korea, Philippines, and Taiwan) by giving them cheap tariff to access the internet.

“Data International Roaming Flat Rate Per-Day program is especially for our loyal postpaid customers, Matrix, Blackberry and Broadband Data, to provide enjoyment and easiness to access internet during international roaming with economical tariff without necessity to register in advance,” said Guntur S. Siboro, Marketing Director Indosat.

With the maximum cost of USD18 per day, customers are able to access internet with unlimited volume. The flat tariff will be applicable after the customers access data above 5 MB per day, while access below 5 MB, customers are only be charged by normal tariff according to the volume used. Indosat will not charge any cost if internet access is not used.

The program will be valid from April 15 until October 15, 2008 and will be implemented in countries with operators who are member of Conexus Alliance, which are Singapore-Starhub, Hongkong-Hutchison, Japan-NTT Docomo, Korea-KTF, Philippines-Smart Communications and Taiwan-FarEasTone.

“This service is a part of Indosat’s commitments to always step ahead in providing more benefits to customers wherever they are, including the need to access internet during traveling overseas with economical tariff,” added Guntur S. Siboro.
