Dear All,

As requested, we would like to provide the following clarifications concerning Qatar Telecom (Qtel)'s acquisition of an indirect interest of 40.8% in Indosat.

1. The closing of the transaction is scheduled for 26 June 2008, and is unconditional; that is, no further corporate or governmental approvals, or any other conditions exist to closing. However until closing, Qtel has no right to make any changes to the Board of Commissioners or Board of Directors of Indosat.
2. We began consultations with Bapepam today regarding the requirements under Indonesian regulations to conduct a tender offer. We will make a full disclosure on this subject as soon as we have obtained guidance from Bapepam.
3. Pending Bapepam's clarifications, no decision regarding a tender offer price could be made.

Please let us know whether you requirement any further clarifications in this regard.
