Indosat Sign an Agreement Service Enhancement of “Dompetku” (My Wallet)

Jakarta, May 7, 2008 – PT Indosat Tbk, today sign an agreement for service enhancement of “**dompetku**” with several parties such as Bank Mandiri, Artajasa, Abhimata Citra Abadi, WIN and PVSTAR. This feature is a service for payment and purchasing from certain merchant of Indosat’s partner, which can be access via handphone by using Indosat cellular card. All Indosat’s customer, Matrix, Mentari and IM3 can activate their SIM card number as virtual account which can be used to pay and purchase goods.

After previously signed an agreement and done trial with 4 partners (Kopindosat, Alfamart, Bintang Insurance and Bank Danamon), now Indosat sign an agreement of “**dompetku**” with **Bank Mandiri** as a Custodian Bank providing reloading and withdrawing “**dompetku**”, also as a pioneer in developing micro payment system using NFC (Near Field Communication) Technology in Indonesia and do trial with merchants ready with this NFC technology.

Cooperation is also done with **ARTAJASA** as supplier of suiting system connecting “**dompetku**” with banks connected in integrated ATM network, connecting “**dompetku**” system with gateway billing payment system, development towards integrated merchants, also implemetation of sttlement systmen, such as merchant and “**dompetku**” and daily report system.

Indosat also cooperate with **ABHIMATA CITRA ABADI** in Group Emtek (Elang Mahkota Teknologi) as acquirer mercahnt and content agregator who already own a quite wide distribution channel and merchant, also support by TV media within the group. While cooperation with WIN will create synergy between dompetku system and WIN system as a business solution supplier group and consultation for micro finance community in indonesia with APPSI (Asosiasi Pedagang Pasar Seluruh indonesia) and ABSINDO (Asosiasi BMT/ koperasi se Indonesia0 member, in which both members of the association are able to use “**dompetku**” feature as transaction tools and merchant. Last with **PVSTAR** group as super merchant underling big retail merchants in Indonesia.

“ Beside to build cooperation with different industry, with this program it is expected that many more customers and potential Indosat’s customer and its partner can enjoy the benefit of this featute. With “**dompetku**” customer has no need to bring many cash money to shop, because transaction can be done through handphone. Through “**dompetku**” feature, customer may also

withdraw cash money therefore it is practical and safe,” explains Guntur S. Siboro, Director Marketing indosat.

To use this feature, customers of Matrix, Mentari or IM3 has to register in galeri Indosat and reload balance minimum Rp 50.000 until Rp 1.000.000. After that customer will receive notification and PIN number via SMS. Customer already registered can change PIN number by typing PIN< old pin><new pin>, and send via SMS to 789 (free). But for the next, customer only has to register via sms only.

To do purchase transaction, customer has to type BELI<pin><nominal><merchant number>, send via SMS to 789 (free), then follow the next step sent together with notification to the customer’s handphone. The merchant number can be obtain from each merchant. To reload balance of “**dometku**”, can also be done through SMS bt typing ISI<nominal><PIN number><Customer’s number>, then send to 789 (free). To check balance, type: SALDO<PIN number>send to 789 (free). For every transaction done, customer will receive notification through SMS in customer’s handphone.

Withdrawing cash can be done in Galeri Indosat with merchant/ bank given authority by Indosat by doing data verification data in advance. If customer would like to unsubscribe, it can also be done in Galeri Indosat and merchant/bank given authority by Indosat. For the time being, “**dometku**” can be used only in Kopindosat (Indosat Building, Jl. Medan Merdeka Barat Jakarta and Indosat in Daan Mogot) also Alfamart in Jl. Blora, Menteng and Cikokol tangerang.

“This program proof that indosat is continuously innovating and always become trendsetter in supplying Value Added Service for customers. Of course this is done, so that all customers and potential customers may enjoy more benefits of Indosat’s telecommunication service,” said Guntur.
