

INDOSAT SIGNED A USD 315 MILLION EKN FACILITY AGREEMENT

Jakarta, August 19, 2009 – On the 18th of August 2009, PT Indosat Tbk (“Indosat” or the “Company”) has successfully signed a US\$315 million EKN Buyer Credit Facility (the “Facility”) for the procurement of Ericsson equipment from Sweden and Indonesia. Ericsson is one of Indosat’s primary vendors and will be supplying key equipment and services.

The Facility has been arranged by Hongkong and Shanghai Banking Corporation (“HSBC”) and the Royal Bank of Scotland (“RBS”). The Facility is structured in three tranches and will be used to partially refinance recent payments already made to Ericsson, and also to partially finance Indosat’s capital expenditures until 2011.

“The EKN facility demonstrates the strength of Indosat’s creditworthiness in spite of challenging economic conditions and serves to diversify the company’s source of funds”, said Harry Sasongko, President Director & CEO of Indosat.
